WAIKARI SCHOOL NEWS – PRINCIPAL

Kia ora everyone,

We have had an incredible response to our Book Fair this week with many parents and members of the community taking advantage of the wide selection available. At the conclusion of the fair today we will tally up how much we have sold and then calculate the amount that Waikari School will receive for hosting the event. I will share the final profit with you next week. Lisa White has put a lot of time and effort into this event and on behalf of Waikari School I would like to thank her immensely! Well done to all of our student's for the efforts they made in dressing up as their favourite book character.

Today we held the second session of our electives programme which was a little difficult due to the weather but our student's really enjoyed the opportunity and again many thanks to our parent helpers. We already have a number of other parents who have put their hand up for the next block so don't be shy if you have a hidden talent that you can share!

Two of our student's participated in the Canterbury Primary School's Duathlon held at Ruapuna Speedway last Wednesday. Nic Thornley placed 12th out of 37 entries. Brandon Thornley placed 47th out of more than 70 entries. A fantastic result for both boys!

Next week we look forward to our school X-Country at the new location: *Iffley Farm*. Please note that we will be running the event in the morning due to electives in the afternoon. An enormous thank you to Scott Hassall for all of his efforts enabling us to run this event at a new venue for 2012.

Andrew Kemp
Principal

Public Message From Constable Giles:

Please be aware that we now have flashing signal lights at both ends of the school on Princes St before school and after school. These flashing signals are to advise drivers of the need to drive with extra care past the school during these hours. Overtaking or speed is inappropriate and will be policed. Also, it is necessary to keep the school gate area free of parked vehicles. Thank you for your co-operation, Constable Daniel Giles.

Hurunui Division 3 – Very Important!

If there are players out there wanting to play Division 3 rugby you are required to attend practice this Thursday in Culverden at 7pm. If on Thursday there is a poor turnout or not enough to make a team for our home game in Hawarden on Saturday we will have no choice but to pull out of the Division 3 section of the competition for the remainder of the season. It is very important that if you wish to continue to play rugby in this Division we see you this Thursday. Pulling out of the division 3 section of the competition could possibly affect the entire North Canterbury Division 3 and this will be a real shame. The Hurunui Rugby Club values having a division 3 side team as this team is an important building block for our young players to get a taste of Senior Rugby.

Enquiries about Division 3 call Matt Newton on 027323655
